Devils Beat Stuart, Play Chobee Here

With the second half of their 1960 football schedule getting under way at Stuart Friday night, things began to look up for the Pahokee High Blue Devils as they defeated the Tigers, 12-7, first victory in six tries, and took their first step in a long climb out of the Suncoast Conference cellar.

Coach Web Fell's men scored in the first quarter when they recovered a Tiger fumble and moved 42 yards in 10 plays for the TD, which occurred when from the seven Dennis Padgett lateralled to Curtis Russom, who tossed the ball to End John Hundley in the end zone. Doug Blanton's attempted plunge through the line for the point was short.

In the third quarter Stuart went ahead when Wayne Bowling scored a TD on a 23-yard run, then made the extra point through the line, the score at the end of the third being 7-6.

As the game neared the end the Blue Devils got another drive underway, marching 63 yards in 12 plays, but got stalled near the goal line, getting only three yards in three plays against the stubborn Tigers defense wall. On fourth down with three yards to go for a TD, QB Padgett called for a spread play that stretched Blue Devil players across the width of the field, then sneaked across to score. He failed, however, in another quarterback sneak for the extra point.

The Blue Devils will have another better-than-average chance to win again this Friday night when they meet the Okeechobee Brahms at home on LaR Field. Against the Clewiston Tigers, the only common foe the two teams have played so far this season, the Brahms were defeated by the Tigers, 15-0, and the Blue Devils by a closer margin, 6-0.

Judge Sauls Asks Re-election Nov. 8

Circuit Judge Richard M. Sauls, seeking re-election November 8, is not running against any Palm Beach County resident. If re-elected, he will continue to serve Palm Beach and Broward Counties as a member of Group 8, Fifteenth Judicial Circuit.

Sauls is the only candidate in this race who was voted to be qualified to hold the office by the Broward County Bar Association. His opponent, also from Broward County, was voted unqualified to hold the office of circuit judge by the Broward County Bar Association.

Judge Sauls, a native Floridian, has an extensive Palm Beach County background, having resided here from 1932 to 1946. He was an honor graduate of, and played football for, West Palm Beach High School. After graduating in law, also with honors, from John B. Stetson University at Deland, Fla., he practiced law in Palm Beach prior to moving south to Broward.

Sauls is one of the circuit judges now sitting in Broward County. On occasion he will sit in Palm Beach County. This office is voted on in

Graveside Service For N. P. McMichael

Graveside services for Norman Pyle McMichael, 56, 4231 N. W. 1st St., Miami, were held at the Port Mayaca Cemetery 10 a. m., Thursday of this week, with the Rev. T. C. O'Steen, pastor of the Pahokee First Methodist Church, officiating.

Mr. McMichael was killed in a traffic accident in Miami Sunday night. One son, Norman P. McMichael of Pahokee, is the sole survivor.

Boca "U" In 1964 Is Aim Of County RDB

State-wide promotion of Boca Raton University will head a comprehensive program for continued development of Palm Beach County according to Thomas F. Fleming, Jr., newly installed president of the Resources Development Board of Palm Beach County.

While emphasis will be placed on creation of the new State university by 1964 under direction of co-ordinator Frank Wright, the RDB will not slacken its continuing efforts for new light industries, conservation and control, cooperation with the County Commission on beach erosion research, and expansion of sugar production in the Glades, he said.

The year's program will also call for continuation of RDB's strong county-wide tax and budget study committee which has been working with the County Commission, school board, port board and other county taxing units in an effort to hold the line on taxation. The committee has also submitted strong recommendations for revision of state taxes, particularly reduction of the intangible tax, to Governor-elect Farris Bryant at his workshop session, and to the interim tax committee of the state legislature.

Coordination of its work with the various chambers of commerce in the county, in development of county projects was emphasized by President Fleming, in accepting the gavel from P. P. deMoya, who concluded his second term as president of RDB. He had also served as its second president 15 years ago.

Boys School Work Told To Rotarian

The operation of the Florida Boys School at Okeechobee was explained to Pahokee Rotarians at last week's Thursday luncheon meeting by Mr. Zinch, assistant superintendent, who was guest speaker. Introduced by C. L. Shirley, Sr., program chairman, the speaker said all the activities at the school are integrated into a rehabilitation program that strives to assist the boys in adjusting themselves that they may assume their responsibilities in the social order of our times. The school now has an enrollment of 300 and plans are underway to expand facilities for an additional enrollment of 100 boys, he stated. Student Member Lamar Williams had as a guest Charlotte Morell, PHS senior, who recently moved to the United States with her family from Cuba.

New Sugar Mill Parts Arriving

Parts for the newest sugar mill to be erected in the Lake Okeechobee Region arrived in Canal Point on four railway cars this week from New Jersey. In the cars were boilers and boiler parts. Other parts of the mill proper will begin arriving soon from Louisiana where Osceola Farms Company purchased a complete mill and will erect it on their 4,000 acre sugar cane site five miles east of Canal Point. Plans call for the mill to be ready to grind cane in the fall of 1961.

Last Rites Held For Ross Winne, 78

Funeral services were held Tuesday afternoon for Ross Winne, 73, at the Belle Glade Community Methodist church. Burial was in Port Mayaca cemetery with Rev. Lee D. Rustin pastor of the church conducting the last rites.

Surviving are his widow, Mrs. Ross W. Winnie of Belle Glade; two sons, H. C. Winnie of West Palm Beach, and Ross, Jr. of Belle Glade; two daughters, Mrs. Charles Seller of Belle Glade, and Mrs. Eric Josephson of New York City. Twelve grandchildren and eight great grandchildren also survive.

Funeral Services Held For W. C. Owen

Funeral services were held Monday afternoon at the Community Presbyterian church in Clewiston for W. C. Owen, 63, who died Saturday. Mr. Owen was vice president of the U. S. Sugar Corporation and had lived in Clewiston for 35 years.

He was a veteran of World War I and a graduate of the University of Tennessee.

He joined U. S. Sugar as an engineer and rose to the post of vice president in charge of engineering. Owen was a member and past master of Moore Haven Lodge, F&AM, past commander of the Clewiston American Legion, and former mayor and city commissioner, and was active in church and community work. He was also president of Clewiston Federal Savings and Loan.

Surviving are his wife, two sons, Richard E. Owen of Miami Beach, and W. C. Owen Jr. of West Palm Beach; a daughter, Mrs. Bryan Bergeron of Tallahassee; his father, a brother, and six grandchildren.

Mr. Owen was well and favorably known in Canal Point where he visited regularly and often to attend meetings of the various drainage districts he served as a supervisor.

REV. SHELLEY SPEAKS

The Rev. Robert A. Shelley, guest speaker, spoke on "Into All the World Together" at the November meeting of the Canal Point Methodist Woman's Society of Christian Service, held at the church with the president, Mrs. W. E. Blackwell, presiding.

Cooking Lessons For Wildlife Boys

Members of the Pahokee Junior Wildlife Club are taking a series of cooking lessons which are being taught to the group by Mrs. Katherine Latham, home demonstration agent for the Florida Power and Light Co. The series of lessons end on Nov. 10, when the cooking school will be held at the Glades Merchandise Company. The making of cookies will be featured, and mothers of members will be guests, according to W. A. Reynolds, club leader.

Flower School Is Well Attended

Those from the Pahokee-Canal Point area who attended the Flower Show School at Belle Glade Thursday and Friday of last week included Mrs. Frank Friend, Mrs. O. R. Bleech, Mrs. Lloyd Hundley, Mrs. L. L. Shirley, Mrs. C. L. Shirley, Sr. Mrs. R. W. Sanders, Mrs. J. S. Chastain, Mrs. Robert B. Simonson, Mrs. W. S. Flumer and Mrs. W. A. Keen, members of the Pahokee Garden Club; Mrs. Edgar Wilder, Mrs. Hugh Branch and David Unwin, members of Sod Busters Garden Circle; Mrs. M. C. Carter, Mrs. O. H. Sheppard, Mrs. C. G. Coburn, Mrs. Paul Rardin, Mrs. Floyd Erickson and Mrs. J. H. Miller, members of the Canal Point Garden Club.

The school was sponsored jointly by the Canal Point, Pahokee, Belle Glade and Clewiston Garden Clubs. Mrs. Luther Jones of the Garden Study Club of Belle Glade was chairman of the committee in charge of arrangements. Others on the committee were Mrs. O. R. Bleech, Pahokee; Mrs. M. C. Carter, Canal Point; Mrs. Ivan Van Horn, Belle Glade, and Mrs. S. B. Cowart, Chosen.

At the Thursday session Mrs. John R. Bear of Tampa, taught flower show practice and Mrs. Helen Cotten of Miami served as instructor of horticultural techniques. Members of the Belle Glade Garden Club hostesses at the noon luncheon, served to approximately 30.

"Flower Arrangements" was the subject studied on Friday, with Mrs. Bear, instructor, and approximately 60 attending. The Belle Glade Garden Study Club was in charge of the sandwich luncheon.

Local Lions Earn \$19 On Hay Rides

Canal Point Lions, instead of their regular dinner meeting Monday night, sponsored a hayride concession at the Canal Point PTA carnival on the school grounds, and turned over the entire proceeds, \$19, to PTA. The Lions wish to thank the Glades Equipment Co. for the loan of a tractor, Paul's Sales and Service for the tractor fuel; J. H. Wilkinson, Jr., for the wagon which was hitched behind the tractor, and the Kilgore seed Co. for the hay, all of which added up to enjoyable hay rides for many Canal Point children.

Mrs. Frock Baxter has returned from Miami where she was a guest for a few days of her nephew and niece.

Spook Parade Good Canal Point School

More than 100 spooks and goblins along with several beauties paraded across the stage of Canal Point school Monday night when the PTA staged its regular Halloween carnival and parade. Presenting their findings efficiently and in an unbiased manner the judges were hard put on occasion to pick a winner—so keen was the competition in many cases.

Serving on the judges panel were: Mr. and Mrs. O. R. Bleech of Pahokee, Mr. and Mrs. Glenn Fowell of Canal Point and Mr. and Mrs. C. B. Stringari of Canal Point. The stage of the school auditorium presented typical Halloween decorations placed in an attractive manner by Mrs. Huddle and her fourth grade youngsters.

County Commission Chairman Paul Rardin of Canal Point acted as master of ceremonies and presented each of the 20 winners with a big silver dollar from the PTA group. Mrs. A. R. Harrington was in charge of getting the youngsters in parade form and across the stage for the judges to see.

Preceding the judging at 7 p. m. members of the PTA served delicious chili, hot dogs, pie, cold drinks and coffee in the school cafeteria. Before and after the judging many booths were in operation and netted the PTA a neat sum of cash for the evening's work. Everything from a hayride and candy booths to an opportunity to cast a straw ballot on the upcoming presidential election brought in ready and much-needed cash to the till of the Parent-Teachers Association.

The children in costume were presented in five groups: preschool, first and second grades, third and fourth grades, fifth and sixth grades, and seventh and eighth grades. There were four winners in each group. They were: most original, most typical of Halloween, most comical and most beautiful.

Winners were as follows: Preschool, original, Nelda Sue Hall; typical, Lisa Shelley; council, Kathleen Threkeid; beautiful, Jana Maxson.

First and second grades: original, Roy Hall; typical, Wanda Hitchcock; comical, Candy McCaul; beautiful, Diane Blackwell.

Third and Fourth grades: original, Rebecca Cowart; typical, Jeffrey Threkeid; comical, Lillian Sims; beautiful, Brenda Maxson.

Fifth and Sixth grades: original, David Hitchcock; typical, Eldridge Kinsaul; comical, Darrel Goodson; beautiful, Sandra Jackson.

Seventh and eighth grades: original, Nancy Harrington; typical, JoJo Young; comical, Eddie Upthegrove; beautiful, Betty Jackson.

Emmett Roberts Speaks To Women

State Rep. Emmett Roberts of Belle Glade was guest speaker at the luncheon meeting of the Pahokee Woman's Club, held at the clubhouse Wednesday with the president, Mrs. B. R. Mosley, presiding. Introduced by Mrs. E. L. Pope, program chairman, he spoke of the work of the State Legislature during the past session.

Judge Sauls Asks—

(continued from page 1)
both Palm Beach and Broward Counties.

He is a fourth generation Floridian. After moving to Broward County he served as municipal judge in Hallandale 1948-50. He had practiced law 11 years when the circuit judgeship was created. The Broward Bar gave him its highest vote and recommendation over 13 other attorneys seeking the office. On his record and the Bar's recommendation, he was appointed judge. He was unopposed for re-election in 1958.

He is a Deacon in the First Presbyterian Church of Hollywood, a Kiwanian, Elk, director of the Hollywood C of C and member of the Committee of 100.

He is one of the most experienced, in actual law practice, of the circuit judges in his circuit. As a circuit judge he has presided over 3,000 cases; has been appealed less than 100 times; and reversed only 11 times. On his record, his experience and his qualifications, he seeks re-election.

Miss Draa To Wed Philip Allen Dulany

Mr. and Mrs. Horace Vincent Draa of Belle Glade have announced the engagement of their daughter, Sandra Irene, to Philip Allen Dulany, son of Mr. and Mrs. John Allen Dulany, Belle Glade.

Miss Draa is in the senior class at Belle Glade High School, where she is a member of the Student Council, the Beta Club, and the School Band. She is worthy advisor of Belle Glade Assembly Number One, Order of Rainbow.

Mr. Dulany, a 1966 graduate of Pahokee High School, attended the University of Florida, and was graduated from Marion Military Institute, Marion, Ala., in 1959. He is a member of Morgan's Raiders, honorary military fraternity. He is employed in the bookkeeping department of Florida National Bank, Belle Glade.

Sorority Honors Rushees At Party

The Beta Omicron Chapter of the Beta Sigma Phi entertained their rushees with a Halloween party and covered dish supper at the home of Mr. and Mrs. Jimmy Moore Friday night.

For the occasion the garage was weirdly decorated with skeletons, witches, goblins, spooks and the traditional black and orange streamers. A hidden record player provided music and the ghostly scene was lighted with jack-o-lanterns hanging over the tables. A mystery fortune teller was present to amuse the guests with predictions of coming events.

Following supper, bobbing-for-apples and other Halloween games were enjoyed. Mr. and Mrs. Karl Mindlin, in hobo costumes, were awarded contest prizes.

Special thanks went to "Witch" Margie Branch, "Beatnik" Boots Gillis, "Little Old Lady" Doris Lane, and Louise Zaccagnino for a very enjoyable Halloween party.

Guests were Mr. and Mrs. Bill Hatton, Mr. and Mrs. Lester Hatton, Mr. and Mrs. W. A. Cross, Jr., Mr. and Mrs. Lee Shirley, Mr. and Mrs. J. V. ...Growing with the Future

Here's what the new $3\frac{3}{4}\%$ interest rate on U.S. Savings Bonds means to you:

\$3 = \$4 *fourteen months faster than before*

The Bonds you own are better than ever, too

The new $3\frac{3}{4}\%$ rate means your savings grow faster than before with U.S. Savings Bonds. \$3 becomes \$4, or \$3,000 becomes \$4,000 in just seven years, nine months. This applies to all Series E Bonds bought since June 1, 1959.

Then, all older Bonds, both Series E and H, pay more now—an extra $\frac{1}{2}\%$ from June 1 on, when held to maturity.

And, all Series E Bonds carry a new 10-year extension privilege. This means your Bonds will keep earning liberal interest automatically after maturity.

These three new cash benefits make today's U.S. Savings Bonds the finest in history. They make the ones you own now better, too.

More advantages of U.S. Savings Bonds

You can save automatically. Just tell your company how much to deduct every payday for Bonds, and your Bonds will be delivered to you. This way you can't forget to save. And, remem-

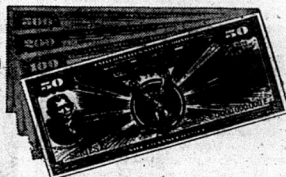

ber, the money you don't touch can't slip through your fingers.

You can get your money, with interest, when you need it. Your Bonds are a ready reserve to use anytime you wish. But, it pays well to hold them.

Your savings can't be lost or stolen. The U.S. Government guarantees to replace your Bonds, free, if anything ever happens to them.

You save more than money. The Bonds you buy help keep the peace because peace costs money. Money for better education, new scientific research, greater military strength. And the money you save helps strengthen our nation's economy which depends on the financial strength of individuals to keep it sound.

Start saving with U.S. Savings Bonds today. You'll save more than money.

How spiritual enlightenment brings a clearer sense of direction and purpose into daily living will be emphasized at Christian Science services Sunday.

The account in Acts (Chap. 9) of Paul's conversion and regeneration will be read from the Bible in the Lesson-Sermon on the subject "Adam and Fallen Man."

Correlative citations from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include (328:23-27): "Christ or Truth—only when his uncertain sense of right yielded to a spiritual sense, which is always right. Then the man was changed. Thought assumed a nobler outlook, and his life became more spiritual."

The Golden Text is from Ephesians (5:14): "Awake thou that sleepest, and arise from the dead, and Christ shall give thee light."

Wanna Bottle Of Atlantic Sea Water?

LAKELAND—Eugene Durrance is in the ideal business. He sells Atlantic Ocean water, making the supply of his product inexhaustible.

Durrance's firm, Florida Sea Brine Laboratories, Inc., sells evaporated sea water as a mineral diet supplement, and orders are flooding in.

Operating on the theory that all the earth's minerals eventually find their way to the ocean, Durrance says regular doses of his Sea Brine provide a variety of health-giving elements that build up our bodies and furnish much needed nourishment.

"A University of Florida chemist analyzed it for use and found traces of 51 different elements in it," Durrance said. "And every one of them's good for you."

Leased milk trucks haul sea water from the ocean to Lakeland. The water is run through an evaporator which removes 90 per cent of the water by distillation. The resulting Sea Brine is then bottled for distribution to the public.

Nation's Ag Agents Visit Clewiston

CLEWISTON — The United States Sugar Corporation played host to County Agricultural Agents from all sections of the nation this week.

The group held its annual convention in Miami Beach from Oct. 30 to Nov. 3 and traveled to Clewiston by bus.

On the tour they had an opportunity to see the rich vegetable growing area around Lake Okechobee and on arrival at Clewiston were taken to one of the sugar cane plantations where harvesting is in progress, later they were given a personally conducted tour of the nation's largest Sugar House where they witnessed the processing operations that convert the freshly cut cane into raw sugar, molasses and bagasse.

Following the mill tour they were taken to Sugarland Ranch to see the prize winning cattle.

Harry T. Vaughn, president and general manager of the United States Sugar Corporation discussed "Sugar Growing in the Everglades" during the evening program.

Palm Beach County Gains Wide Publicity For The Efficient Manner Of Its Operation

Palm Beach County this week gained another chapter in its fast-growing recognition as a leading county in the state and for the efforts being put forth by the County Commission to promote agriculture, tourism and industry.

In a lead story in the Florida Municipal Record for October, the convention issue for the Florida League of Municipalities which met this week in West Palm Beach for its annual meeting, the magazine noted that Palm Beach County Reflects State Growth and Prosperity — and went on to say—

Palm Beach County has gained wide spread fame throughout the world in many fields. To review the history of this section is much the same as writing a serial—each installment complete within itself; each phase an important part of the events and developments which has made the county a leader since the very day back in the early 1900's when a group of residents voted to slice the mighty Dade County in pieces and form a county of their own.

Their choice was Palm Beach County and down through the years this area has contributed greatly to the development of South Florida.

The county can look back to the days when it became a leader in the tourist industry; to days when it became a leader in vegetable production to later days when cattle raising and the dairy business brought added importance to the area and the present, with national industry giving its approving nod to the county as highly suitable locale for building new plants.

Today its bonded debt is well controlled by adequate securities. Its tax system is not a gouging monster and its governmental administration is a pattern of wise judgment and considered decisions based on sound business practices and sensible economy.

Years ago when Palm Beach County was in its infancy, Henry Flagler picked this area as his winter home. He built railroads, hotels, business districts and entertainment facilities. He brought his friends and their friends here to enjoy winter vacations.

This was the start of this county's fame as a winter resort area. The type of luxury living introduced by Flagler created a need for workers who could give the service which the visitors demanded. This meant the start of new communities; an influx of builders, architects, businessmen and others.

This phase of Palm Beach County history has continued to exist throughout its history. The area today is still recognized as one of Florida's most famous resort areas. Here as in other parts of Florida, summer vacations are becoming an economic mainstay.

As more people visited Palm Beach County, they saw even greater potential than beaches and sunshine. They were looking toward the vast Everglades section—then swampy and undeveloped—but fertile enough to grow fortunes.

leading recognition in the production of dairy products.

Since the end of World War 2, industrial development of Palm Beach County has gained tremendous importance. The move at first was in the field of light industry such as furniture manufacture, building supplies, fishing tackle and boat building. The end of the war also saw a tremendous population growth as millions of ex-service men and their families settled down to take up their lives in new surroundings. This influx of people brought a boom in housing developments and new sub divisions.

In recent years the industrial development has taken on a new look as more and more big companies are opening plants in this area. Today the county is home for Pratt & Whitney, RCA, Minneapolis Honeywell, Air Products, Butler Aviation and a host of others.

How and why does Palm Beach County continue to enjoy such grand scale benefits that are a part of industry, agriculture and tourism. Much of the credit for these benefits is directed to the Palm Beach County Commission which has guided the growth and development of the area during a period when it was most difficult to keep abreast of Florida's mushrooming expansion.

The county's present commission is made up of five men who have been on the job for many years. Headed by Chairman Paul Rardin, Canal Point, the commission includes Lake Lytal and Kenneth

Foster, West Palm Beach; Roy Michael, Jr., Lake Worth and Ben Sundry, Delray Beach. Michael, who is the junior member of the board has been a member for eight years which points up the advantages of stability and experience in governmental administration. The commission has proven it can provide the type of leadership and direction which Palm Beach County residents desire. The commission's leadership has brought new roads and bridges to the county; expanded recreational facilities and a growing system of county parks; new industries, a capital improvement program which has brought added facilities such as the Glades courthouse which serves residents of the Everglades communities who lives miles away from the county seat at West Palm Beach, health and welfare buildings, additional hospital facilities, new county children's homes, mosquito control, garbage disposal and many other services.

What is considered to be one of the commission's most progressive steps was adoption of rigid standards for sub division development and zoning and building regulations for the county.

In a statistic nutshell the following are some of the basic facts about Palm Beach County—area 2,684 square miles; 37 incorporated communities; population 224,000; total assessed valuation \$1,063,089,455; indebtedness \$683,000; natural gas, electrical utilities; two railroads, major airlines, truck lines, two bus lines, deep-sea and

inland barge ports; more than 200 public and private schools plus Junior College facilities.

(continued from page 1)

Other officers for the year include Robert C. Brown of Riviera Beach, Robert Totterdale of Delray Beach, M. C. Dan Avery of Boynton Beach and Claude L. Shirley of Pahoke, Vice-President; John P. Stine of Lake Worth, treasurer and W. Julian Field of Palm Beach, secretary.

Several hundred state officials, including Governor-elect Farris Bryant and his cabinet, members of the State Legislature and their wives, and the Capitol press corps will be entertained Thanksgiving weekend at the Boca Raton Hotel and Club, it was announced by President Fleming. The entertainment will include visits to Palm Beach and West Palm Beach, aer-

ial tours of the area and the site of the proposed university, and a trip to the Florida-Miami football game.

Support of plans to develop additional sugar growing acreage and additional mills was voted by RDB directors, following a report from Luther Jones of Belle Glade, member of Bryant's new sugar committee. Jones said machinery for one new mill at Belle Glade is expected next week, and negotiations are under way for two additional mills on 4,000-acre tracts near Twenty-Mile Bend. Appeals have been made to Congress and Washington officialdom for additional sugar quotas in the Florida growing area. Production, Jones said, might be doubled, with Federal permission, leading to use of 60,000 to 75,000 acres.

Mr. and Mrs. William S. Plumer had as a guest this week Chester McGrew of Lucas, Ohio.

DISTRICT NO. 3 — REPUBLICAN

- Its time for a change, lets break the political machine that is running Palm Beach County.
- Put an end to baloon budgets, high taxes and one party rule.
- We need a progressive road program of roads where people live
- We must realize the importance of our great agricultural resources and encourage their development.
